CORRIGENDUM FOR FACE-TO-FACE INTERVIEW FOR DEPLOYMENT OF STEM TEACHERS TO BHUTAN

Date: 10th June 2024

This is to inform all concerned applicants about a change in the interview process for the Bhutan STEM Teacher Recruitment Project.

Previously, as advertised, the interview was to be conducted in two rounds: an initial online interview followed by a face-to-face interview. However, due to the lower-than-anticipated number of eligible candidates, we will now conduct only one round of interviews, which will be face-to-face.

The details of the face-to-face interview will be shared over email to the eligible shortlisted candidates.

We believe this streamlined approach will be more efficient and effective in selecting the best candidates for the project. The face-to-face interview will also provide the candidates a better opportunity to present their skills to the interview committee.

We appreciate your understanding and cooperation. Should you have any questions or require further information, please contact our helpdesk at helpsecondment@edcil.co.in.
